If there is a problem with any assigned day, it is your responsibility to contact another team member to switch.						
If unable to make a switch, contact the water coordinator.						
Keep track of your time spent and any comments or suggestions, and note your time in the drop box on the day the service is performed.						
The water barrel filling job is critical to all of the Dowling gardeners. Please be sure to check and fill the barrels on your assigned day.						
Thank you for your time and commitment.
